## WHY HOME FOR DESTITUTE?

1. There are thousands of destitute in Mumbai/Thane city and very few shelter homes.
2. Out of existing homes, there are very very few Christian homes for the destitute.
3. Many homes are overcrowded and they don't take more in.
4. Mos of them die without knowing Jesus when they end up in non Christian homes.

**So we want to build our own home for the destitute where we can really show God's love and prepare them for the Eternal Home.**
